Hi Tonya, I updated the triennial review tracker. Essentially, both ND and SD are working on finalizing their WQS in response to public comments and expect to submit their revised WQS to EPA in June, 2021.

Please let me know if you think I should include more specific information in the tracker.

Thanks,
Holly

Holly,

Can you please update? [Triennial Review Tracker](#)

For ND, says:

9/21/20: A Notice of Intent to amend and adopt WQS were posted on ND DEQ's website on August 21, 2020. The response period ends October 23, 2020.

Did ND adopt revisions? I'm trying to respond to HQ questions about our measure.

Thanks,
Tonya
